LATE RAJA HARI SEN JI
(15-08-1955 to 30-03-2024)

From Principal's Desk

A warm welcome to dear students, parents, staff teaching, non teaching and well wishers from the Principal Maharaja Laxman Sen Memorial College Sundernagar. Founded in 1976 the college is celebrating its 48th year of establishment. The college believes in imparting quality education to the students of Sundernagar in particular and that of the Himachal and other states in general. The college offers under graduate courses in Arts, Science and Commerce streams and bachelor degree in self financed courses in BBA, BCA, BPES, BPEd, B.Ed and PG courses in Physics, Chemistry, Zoology and Botany. Apart from academics the college provides ample opportunities in sports, cultural and other co-curricular activities like dramatics, debates, NSS, NCC, Red Ribbon and Physics, Chemistry and Bio clubs, to name a few.

The College has a sprawling campus with fully CCTV surveillance system, auditorium, playground and canteen. A well-equipped library, access to E-resources, I.T. enabled Wi-Fi and smart classes with provision of projector greatly enhance the teaching and learning process in the college. The College organizes conferences, seminars, workshops, field studies, village tours/camps and industrial visits to provide opportunities for firsthand experience and updates the student's knowledge. The college also has a placement and counseling cell which helps our students to initiate their career goals.

We, at MLSM, expect all the students to work hard and improve their performances in the coming years, there by fulfilling the dreams and expectations of their parents and teachers. I sincerely hope that the students will make the best use of the opportunities to become competent professionals, entrepreneurs and last but not the least, great human beings.

The biggest potential threat that the student community is facing these days is the Drug abuse and addiction. I appeal to the students to stay away from this menace otherwise it will affect them both physically & mentally and at time leads to fatality.

'Say No to Drugs'

Do not succumb to peer pressure. Say No to illegal drugs and to friends who encourage drug abuse.

Striving for a vibrant and dynamic academic atmosphere is a wholesome and holistic exercise. This calls for the integration of students in the qualitative processes of the college. It necessitates an innovative ecosystem to hone the skills of students in diverse programs to mould them to become notable change-makers of the society.

I congratulate all the faculty members, employees and students, who have achieved excellence and outstanding performance in the academic and research work during the previous academic sessions.

As the principal of the college, I am committed to carry forward the work of my predecessors. I seek by the cooperation of my colleagues and guidance of the management committee particularly that of Professor Radhika Chopra, President managing committee, in accomplishing the above stated goals.

With warm wishes

Dr. Kameshwar Kumar

MLSM COLLEGE SUNDERNAGAR

1. BACKGROUND OF THE COLLEGE

1.1 THE TRUST

The Late Raja Lalit Sen of Suket created a Trust in 1972 by donating the palace building and the adjoining area of about 100 bighas of land and liberal donations for the furtherance of various activities of social uplift with the main stress being on the spread of education in the State. To honour the sacred memory of his late father, the Trust was named Maharaja Lakshman Sen Memorial Trust, with its headquarter at Sundernagar.

1.2 THE FOUNDER

Raja Lalit Sen, the sole trustee of Maharaja Lakshman Sen Memorial Trust and the Founder of Maharaja Lakshman Sen Memorial College, Sundernagar was a renowned national figure and was devoted to the social service of the country.
