-  Highly qualified and experienced faculty members
-  Rich library and learning resources
-  ICT-enabled teaching and learning environment
-  Consistently good academic results
-  Excellent opportunities for higher studies, research and career advancement

NEP-2020 Curriculum Structure

Academic Structure under NEP-2020

Under the National Education Policy (NEP) 2020 and the curriculum framework adopted by **Sardar Patel University (SPU), Mandi**, all Undergraduate Programmes follow a multidisciplinary and holistic learning approach.

During the **First Year (Semester I and Semester II)**, students shall study:

Course Category	No. of Courses	Credits
Core (Major Discipline) Courses	3	4 Credits each
Skill Enhancement Course (SEC)	1	3 Credits
Multidisciplinary Course (MDC)	1	3 Credits
Ability Enhancement Course (AEC)	1	2 Credits
Value Addition Course (VAC)	1	2 Credits (Semester II)

Experiential Learning Component

Under NEP-2020, every Undergraduate student shall participate in an **Internship, Apprenticeship, Field Project or Community Experience** worth **4 Credits**. This component provides induction into actual work situations and community engagement, helping students develop professional skills, practical knowledge and social responsibility.

The curriculum is designed to provide:

- Strong disciplinary knowledge through Core Courses.
- Practical and employability-oriented skills through Skill Enhancement Courses (SEC).
- Exposure to diverse fields of study through Multidisciplinary Courses (MDC).
- Development of ethical values, environmental awareness, constitutional values and life skills through Value Addition Courses (VAC).

Students will earn credits as prescribed by SPU Mandi and may avail the provisions of Multiple Entry and Multiple Exit under NEP-2020.
