His Highness Late Raja Lalit Sen Ji of Suket

FORMER CHAIRMAN

LATE RAJA HARI SEN JI

From Principal's Desk

It is a great pleasure to extend a heartfelt welcome to all our students, parents, staff members, and well-wishers of Maharaja Lakshman Sen Memorial College, Sundernagar.

Maharaja Lakshman Sen Memorial College founded in 1976 and granted 2 (f) Status by University Grants Commission (UGC), New Delhi in 1977, has established itself as a leading centre for higher education in this region. As we mark our 49th year of academic excellence, we are honoured to prepare for the launch of our landmark Golden Jubilee Year Celebrations, commencing from 1st July 2026. Our vision and mission have always been to provide holistic education that empowers the youth, taking forward the theme of the institution's pledge "Till Hill and River Vanish".

Our academic ecosystem is robust and diverse, offering a comprehensive range of undergraduate programs across the Arts, Sciences, and Commerce streams. Furthermore, we provide professional courses such as BBA, BCA, B.ED., B.P.ED., and BPES, along with M.Sc. in Botany, Zoology, Chemistry, and Physics. Aligning with the five foundational pillars of National Education Policy (NEP) 2020, we advocate a holistic and multidisciplinary approach to learning. Special emphasis is also placed on teacher education; through programs like B.ED and BP.ED.

The infrastructural sound and scenic campus offers a student-focused, secure, and stimulating setting designed for holistic well-being. It is supported by a CCTV network and playground. To foster an inclusive and safe atmosphere, the institution maintains active welfare bodies, including the Grievance Redressal Committee, the Anti-Ragging Cell, and the Women Cell (WGRC).

Academically, we empower our students with a well-stocked library, seamless access to e-resource, and on-campus Wi-Fi access, because true learning transcends traditional boundaries. Beyond the classroom students are consistently encouraged to nurture their talents through sports, cultural, NCC, NSS, Science, Red Ribbon Club and co-curricular activities.

The institution remains dedicated to meeting the standards and regulations set forth by the Sardar Patel University Mandi, Government of Himachal Pradesh, UGC and other statutory bodies (NCTE & AICTE) to ensure implementation in true letter and spirit. The foundation of our success rests upon a dynamic and highly accomplished faculty's commitment to academic excellence. The dedicated non-teaching staff, motivated students and committed administration have been instrumental in bringing holistic development of students.

As the Principal of this esteemed institution, I am deeply committed to upholding and advancing the glorious legacy established by my predecessors. I look forward to the continued cooperation of my highly capable colleagues and the invaluable guidance of Professor Radhika Chopra Ji, President, Managing Committee and all stakeholders in achieving our shared vision and scaling new heights of academic excellence.

With best wishes for a bright, transformative, and successful future.

The Trust

The late Raja Lalit Sen of Suket created a trust in 1972 by donating the palace building and the adjoining area of about 100 bighas of land and made liberal donations for the furtherance of various activities of social uplift with the main stress being on the spread of education in the state. To honour the sacred memory of his late father, the trust was named Maharaja Lakshman Sen Memorial Trust, with its headquarters at Sundernagar.

The Founder

Raja Lalit Sen, the sole trustee of Maharaja Lakshman Sen Memorial Trust and the founder of Maharaja Lakshman Sen Memorial College, Sundernagar, was a renowned national figure and was devoted to the social service of the country. He remained a Member of Parliament for two terms and was also the Chief Parliamentary Secretary in Sh. Lal Bahadur Shastri's Ministry. Led by a sense of dedication and devotion to the nation and the realization that human belongings and wealth are as ephemeral as life itself, the late Raja Lalit Sen of Suket established this college by making liberal donations in cash and in the shape of buildings, a playground and extensive lands. Dr. Hari Sen further contributed to the college's development by strengthening its academic environment and supporting its overall progress. At present, Prof. (Dr.) Radhika Chopra serves as the Trustee and President of the College, leading the institution towards continued excellence and expansion in higher education.

The Motto

This Educational Institution (Maharaja Lakshman Sen Memorial College and the Lalit Sen Institute) aims at imparting an education that will create a sense of mission and devotion to the country in the emerging generation, and to imbue in it a social consciousness and an awareness of the changing times. The college has endeavored to harmonize the streams of tradition and change in its functioning and work. The ethos of the college is to meet challenges and to aim for the very best. We strive for perfection, however hard it may be. We aim to create an ideal citizen and a good human being, difficult though this may seem. We wish to inculcate a wide vision, a capacity to understand the views of others, to disagree without bitterness and to instill the spirit of humanism in our family of staff and students.

Maharaja Lakshman Sen Memorial College conducts govt. aided courses in the faculties of Humanities, Science and Commerce, and the Lalit Sen Institute conducts the unaided self-financing courses. In future, in addition to these two institutes, the complex of institutions will grow to include:

- i) Post-graduate teaching in various areas.
- ii) A Research Institute equipped with modern research facilities.
- iii) A Museum containing original miniatures, arms, bronzes, sculptures, carpets and other valuable historical objects

Lalit Sen Institute of Business, Education & Technology

Since it was difficult for the State Government to finance various new and useful professional courses, the Managing Committee resolved to create an autonomous and self-sustaining institution which would conduct a variety of self-financing courses. This led to the establishment of the Lalit Sen Institute of Business, Education & Technology (LSIBET), to commemorate the memory of the Founder. The Institute and the MLSM College have the same Managing Committee. The Institute has its own faculty and non-teaching staff in various departments. At present, the Institute conducts the following courses:

- 1) Bachelor of Business Administration (B.B.A.)
- 2) Bachelor of Education (B.Ed.)
- 3) Bachelor of Computer Applications (B.C.A.)
- 4) Bachelor of Physical Education (B.P.Ed.)
- 5) Bachelor of Physical Education & Sports (B.P.E.S.)
(3 Years after +2).
- 6) Master of Science in Chemistry (M.Sc. Chemistry)
- 7) Master of Science in Physics (M.Sc. Physics)
- 8) Master of Science in Botany (M.Sc. Botany)
- 9) Master of Science in Zoology (M.Sc. Zoology)

The Growth of the Institution

At the time of its establishment in 1976, the college had eleven teachers and less than three hundred students in the Arts faculty. The Science faculty was added in 1980, Vocational course in Office Management was started in 1995 with approval and support from the University Grants Commission and the Commerce faculty was also added in the same year. In 1996 the Institute started the Bachelor in Business Administration course, a 3 year degree course spread over six semesters. In 1998 the Institute started the Bachelor in Education course with the approval of the NCTE, the Govt. of Himachal Pradesh and the H.P. University. The Institute added the Bachelor of Physical Education (B.P.Ed.) in 2007, B.P.E.S. in 2008, M.Sc. (Physics), M.Sc. (Chemistry) from the academic session 2010-11 and M.Sc. Botany & M.Sc. Zoology from July 2013.

With the introduction of NEP-2020, Notified by the H.P. Government, for the forthcoming academic session 2026-2027 onwards, MLSM College and LSIBET will adopt the Four-year Under Graduate Programme.

Global Skill Development Partnership with Saylor University, USA. In its continued commitment to providing quality education and global learning opportunities, MLSM College, Sundernagar, has signed a Supplemental Skill Development Agreement with Saylor University, USA, a leading provider of free online higher education and professional development courses. This international collaboration enables MLSM students to access a wide range of globally recognized online courses designed to enhance academic knowledge, professional competencies, and employability skills.

Through this partnership, students can supplement their regular degree programmes with additional skill-based learning opportunities, earn certificates of completion, and gain exposure to international educational resources and best practices. The collaboration supports the objectives of the National Education Policy (NEP) 2020 by promoting multidisciplinary learning, digital education, lifelong learning, and skill enhancement. By leveraging Saylor University's extensive open educational resources, MLSM College aims to equip its students with the knowledge, skills, and global perspectives required to succeed in higher education, competitive examinations, and the evolving world of work.

Professional Education

Himachal Pradesh, one of the most literate States in the country, lacks adequate employment opportunities for its youth. Even today its economy is Government-job oriented. A large number of educated youth are not in a position to get meaningful employment without professional degrees. The Institute resolved to be a part of the solution to this problem by starting professional courses to help the new generation in finding their rightful place in society.

Affiliation/Recognition

The institution is Affiliated to S. P. University, Mandi and duly recognized by the NCTE for all its respective courses. The college is also included in the approved list of the University Grants Commission, Govt. of India.

College Buildings

The college is housed in its own palatial building. The college has a spacious and magnificent hall of its own. A four story Science Block has been constructed, it consists of Chemistry, Botany and Zoology Laboratories, and spacious and well-furnished class rooms. A Modern building constructed at a cost of more than 1 crore, accommodates all self-financing programmes namely BBA, BCA, B.Ed., and M.Sc Physics. The new LSIBET premises have spacious well equipped class rooms, laboratories and other basic amenities. A newly constructed sports complex, is well equipped with facilities for different indoor sports activities like multi-gymnasium hall, yoga hall, T.T. hall. Other than sports activities the complex also has class rooms for B.P.Ed and B.P.E.

courses. The new building named **Dr. Hari Sen Centre of Learning**, is built on MLSM Trust Land comprising of Administrative Offices, Library, Classrooms and Auditorium.

Playground

The college owns a very picturesque and spacious playground with facilities for all major & minor games such as Cricket, Football, Hockey, Handball, Basket Ball, Volleyball, Boxing, Badminton, Kho-Kho and a 400 Mt. Athletic Track. Gymnasium and Indoor games such as Table Tennis, Weightlifting are also available.

Dispensary

COLLEGE STUDENTS CENTRAL ASSOCIATION (CSCA)

CSCA is constituted according to the rules laid down by the SP University, Mandi.

The association aims at developing among students greater awareness of their role as young citizen, giving them sense of responsibility and a spirit of service. The role of this association will be to advance the aims & objectives of the institution, add to its tone and discipline, help in organising various functions in the college and suggest measures to make the stay of the students in the college fruitful and purposeful. CSCA also serves as a link between the students and the administration and coordinates and integrates the activities of various clubs & associations in the college.

Parent Teacher Association

The Parent- Teacher Association (PTA) is a statutorily constituted body which aims at the overall development of the college. Parental co-operation in creating a healthy campus atmosphere is of utmost importance. The PTA aspires for co-operation and participation of parents in full measure, in the wholesome activities of the college. An Executive Committee, consisting of the Principal as Chairman, a parent as a President, a teacher elected as a secretary and six other members from teaching and parents, meets frequently to carry out the regular affairs of the body. Positive and negative feedbacks are openly discussed for timely improvement and correction.

Alumni Association (MLSMCOSA)

The Alumni Association works towards achieving a tedious relationship between the Alumni and the institution. The students being the most important part of the institute graduate into alumni and become the most important long term

stakeholders of their Alma matter. The association provides an opportunity for the alumni to interact with the faculty and the students and helps to build a relationship which lasts for many years. It helps the Alumni to stay updated on different activities conducted by the college.

MLSMCOSA provides you an opportunity to re-establish the long lost associations with your teachers and college fellows. Get in touch, join the mail group to promote and support the Institution and participate in the college activities and progress. The old student association has given relief to the poor students in terms of paying their college fee.

6. Master of Sciences

The Faculty of Science at MLSM College was established in 1980 with only four faculty members and an initial enrollment of around 50 students. Over the years, the department witnessed remarkable growth and earned a reputation for delivering high quality science education. The institution has consistently produced outstanding graduates who have excelled in diverse professional fields. At one point, a significant number of students from the college secured admission to M.Sc. programmes in Physics and Chemistry at Himachal Pradesh University, reflecting the academic strength of the college's honours courses in these subjects. The biological sciences also maintained a strong and distinguished presence.

Continuing its tradition of academic excellence, experienced faculty, and quality infrastructure, the college in 2010 introduced postgraduate programmes in Chemistry, Physics, Botany and Zoology. These programmes have achieved impressive academic results and have established themselves among the leading postgraduate science courses in the state.

The college conducts regular Academic Conferences/Workshops and Seminars to encourage academic interaction and a culture of research. The college has established a Material Research Laboratory in the Department of Physics for PG students & teachers. This laboratory will also be useful for the students and teachers of the Departments of Chemistry. To enhance skills and employability of the students, the college has introduced certificate courses such as Python, LibreOffice Suite, ChemPaint, Avogadro, Fortran and C++ etc. under Spoken Tutorial, IIT, Mumbai along with many other certificate courses of Swayam, NPTEL and ARPIT.

For capability enhancement and development, the faculty of PG courses provide guidance for various competitive exams such as NET/SLET/HPAS/TET etc. The college has separate reading space in the library for PG students.

The meritorious students in Academics, Sports & Culture and from economically weaker sections will be given scholarship/financial support by the college. The fee for the academic year 2026-27 shall be payable in two installments.
