

Action taken report on basis of teachers feedback for session 2018-19

Most of the teachers have responded positively in all questions asked and in this regard no action is required. However, in the suggestions few teachers feel that the syllabus of B.Sc. courses are lengthy and need revision to make it job oriented.

The college has no authority to revise the syllabus at its own level. The representation received if any, will sent to the affiliating university so that the required changes may be incorporated in.

Departmental libraries should be there. The departmental libraries are coming up with time. Physics department has taken lead in this regard and have set up a departmental library.

Research facilities should be provided. Physics department has taken lead in this regard by setting a research lab. The college is promoting research and academia by encouraging teachers to attend conferences, seminars, workshops, orientation programmes and refresher courses. In this regard the college is providing reimbursement in registration fees up to 50% for these activities. This year the college has provided reimbursement to 50 teachers.

Wash rooms are unhygienic. The college has repaired and renovated the exiting wash rooms and made them hygienic.

Separate faculty cabin should be there. A separate faculty cabins are there in all departments having more than two members. More cabins will be there in the new building under construction.

Staff should be regularized. The college management has taken the matter up with the Govt. to get sanction to fill the posts under grant in aid.

Action taken report on basis of parents feedback for session 2018-19

Majority of the parents are satisfied as they have responded positively to the question asked from them. The parents are satisfied with teaching facility, environment of the college, overall development of their ward, good results and good administration. As per them it is one of the best institutions in H.P.

Thus no action is required in this regard. In suggestion the following points have been raised.

Hostel facility for boys should be there. The college management/administration is planning a boy's hostel in the campus soon.

Scholarship for students. This year the college provided financial assistance to about 70 students from its own resources. The college helps the students to get scholarships from various organizations and from the National scholarship scheme of the Govt.

Action taken report on basis of alumni feedback for session 2018-19

There should be regular staff and principle.

The management has already invited the applications for regular principal and it will be filled very soon. The matter of teacher's regularization has been discussed in their feedback.

Library facilities should be provided to old students and hostel facilities for boys should be there.

Library facilities are provided to old students on demand.

There should be smart classrooms in the college campus. Campus should be clean mainly, washrooms for students.

Smart classrooms are coming up in the building under construction.

Meetings of general body of alumni should be held and there should be a corner for alumni profile.

General body of alumni meets regularly. Provisions are being made for a corner for alumni profile.

Financial support to be provided to poor students and teacher feedback should be taken from students.

The college provided financial assistance to about 70 students from its own resources this year. Students' feedback is taken in general. Special feedback regarding teachers will be taken from next session.

Overall suggestion received from different alumni about college functioning is satisfactory.

Action taken report on basis of students feedback for session 2018-19

Students demanded more workshops, seminars, industrial training programmes and educational tours.

This year the college organised workshops on Free and open source software, FOSS, and GCTE, green chemistry for technology and environment. The educational tour is organised annually. Students' excursions are organised for final year students only.

The matter of smart class rooms has been discussed already.

Need to incorporate tutorial classes.

The tutorial classes were started this year in the month of September.

As demanded by students, new reading rooms have been added in the college library. New books on various subjects, text and reference, are purchased every year and this year too. The college library has got many research journals from this year onwards.

Need for more active discipline committee.

The discipline committee of the college has been formed and functioning effectively. New sitting capacity has been provided to the students and teachers in the college canteen.

Need for an auditorium. A auditorium is coming up in the college building under construction.
