

7.2.1 BEST PRACTICES -I

1. TITLE OF THE PRACTICE

Feedback mechanism

2. Objectives of the practice

To develop a sense of responsibility and belongingness to the institution among the stakeholders, to get innovative ideas and fruitful suggestion direct from the stakeholder for the further development of the institution.

3. THE CONTEXT

A journey towards excellence is witnessed by all the educational institutions. In order to have pace there is possibility for improvement and quality enhancement.

4. THE PRACTICE

The college had developed a mechanism to have feedback from the various stakeholders i.e., students, teachers, Parents and alumni to analyze the institutional performance in different aspects. The feedback had been taken on curriculum, curriculum delivery, development of the students, overall institutional performance respectably.

5. EVIDENCE OF SUCCESS

The feedback mechanism has resulted into an important tool to understand the SWOC and to evaluate the learning environment of the institution. Resulting this

1. Increase in the ICT enabled facilities.
2. Scholarship and help economical poor students
3. Material Research Lab
4. Development of MIS etc.

6 PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED

Motivational aspects to get the feedback form filled online.

BEST PRACTICES- II

1. TITLE OF THE PRACTICE

Access to old students for using Library resources

2. Objectives of the practice

To provide/extend help to the old students in process of making there career.

3. THE CONTEXT

Seme urban population not having access to the library for preparing for competitive examination.

4. THE PRACTICE

The time has been fixed for their access to the library resources, how ever some times when the regular students of the college come to library in large number, the premises becomes crowed and library personnel have to strive to accommodate all the learners.

5. EVIDENCE OF SUCCESS

There is a shortage of staff in the library because of this issue feedback may not taken from the pass out users of the library resources. This aspect will be taken into consideration in the future only then the success evidence may be revealed.

6. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED

1. The limited number of computing system have access to inflibnet.
2. Sitting capacity of the reading rooms.
3. library timing are 9am to 5pm but the pass out learner have been given time from 2pm to 5pm i.e., 3 hours only.
