Overall good

Nothing

THERE MUST BE MORE QUALIFIED TEACHERS REQUIRED IN THE MANAGEMENT DEPARTMENT.....

There should be more focus on research work in and projects should be added.

बहुत बढ़िया

Improve your office staff as they dont have any sense how to behave and talk with students. We have paid heavy fees in mlsm still no will there for us to help in any expect except our teachers.

All are ok

All washrooms should be clean and open during college time.

Water

Research activities should be done once in a year , so that student should have a edge on their field of work and study .

I suggest to take extra 1 hour class for NET/JRF exam throughout the course.

I m satisfied with my feedback

Fee ma'am should behave polite with students.

Students should be prepared for the upcoming future exams in there academic session so that they can compete in any exam with good grades.

At the end the ultimate goal of students is to clear NET/JRF exam. Its not the percentage of marks taken by students in term end exams which makes reputation of college, its the number of students who cracks NET/JRF exam makes the reputation.
