This institution is better than others being the best in Himachal Pradesh having excellent faculty, friendly environment and good educational facilities. The college provides best opportunities in academic, professional and extra-curricular fields for overall development and carrier orientation of students. The college has a perfect stock of books in library and well equipped laboratory facilities.

On the second subjective question 478 subjective responses were obtained regarding the suggestions that how this institution can help its students even more. The following suggestions were given by parents. The College must adopt modern teaching methods and technology like ICT facilities equipped with advanced digital skills of teaching. The class room teaching must be made practical, analytical, rhetorical, effective and skilful in all respects. To increase employability and job opportunities, professional learning, industrial trainings, internships, campus placements must be organized regularly. Emphasizing on the fact that research is crucial for the development of any institute parents suggested that college

needs to invest a lot in research area. For effective research there is important need of collaborations with various institutes and industries. Also seminars, conferences, workshops etc. are necessary in routine curriculum to promote the research.

There is a dire need to build mental health, moral character, social responsibilities and discipline in students. For this college must start motivational lectures, yoga sessions, guidance & counselling and discussion sessions to interact with students. The good infrastructure, better transportation facilities, hostel facilities and facility for extra classes are required. The college fees should be reduced and more scholarships must be provided to needful students. The college must strengthen communication mechanism and regular feedback processes. The parent teacher meeting must be held twice a year.

### **Suggestions from parent's feedback**

In this case 388 written responses were collected from parents. The parents are satisfied with teaching facility, overall development of their ward, good results and good administration. Still some suggestions given by the parents are noteworthy. Keep the campus clean and outsiders trespassing must be restricted in campus. The no drugs, no drinks and slow driving guidelines must be highlighted to aware and protect students. The strict action should be taken against those who violate traffic rules and create indiscipline. The competitive exams preparation should be provided to students according to their courses and the house test reports and overall performance reports must be sent to the parents regularly.
