Embibe - AI based Learning Platform.

Sir/Madam,

I am directed to say that the Governments all around the world have closed educational institutions to contain the global pandemic COVID-19. The education as well as employment opportunities for our students is interrupted and the pressures on students separated from their peers, parents, caregivers, teachers and educators are incalculable. The government is very serious about this and exploring new ways by using the technology to provide better opportunities to the students.

In this regard M/S Indiavidual Learning Private Limited (Embibe) has submitted a proposal of onboarded and enabled Adaptive Learning Platform - Embibe free for students, for preparing them on JEE/NEET and Government recruitment examinations in Bank/Railway/SSC/IAS/Insurance/Teacher Eligibility etc. The students can appear for unlimited mock tests and chapter tests on <https://educationhp.embibe.com/> for free of cost.

You are therefore, requested to share this information among the students and encourage them to take the benefit of the proposal during lockdown period, please.

Yours faithfully,

(Shakti Bhushan)
