Dear Students,

Hope you and your loved ones are doing well and keeping safe.

Stuck at home wondering when your college will re-open? Why not make the most of the lockdown by learning a cool new skill from the comfort of your home?

Internshala brings to you **certified online trainings** in the trending skills of 2020. From Data Science to Digital Marketing, Python to Photography, AutoCAD to Android, Ethical Hacking to Creative Writing, and Financial Modeling to French - there is something for everyone. Each training is 4-6 weeks long, designed for beginners, packed with projects, and comes with a **certificate of training from Internshala**.

Internshala also giving a discount of up to 55%+10% on all training programs for our college students.
