NOTICE

As you all know that the lockdown period has been extended up to 3 May 2020. All the students are directed to contact the subject teachers on their mobile number/email or through link **Grievance Redressal** given in the college website and give your WhatsApp/mobile number and email address to add you in subject groups on WhatsApp/email /MOODLE (Modular Object-Oriented Dynamic Learning Environment), online teaching methods, in order to complete the ongoing courses/ syllabus. The link for MOODLE is provided in the college website www.mlsm.in as **Online Learning Management System**. You can access this MOODLE without password by using Guest login option. All your problems / queries, regarding subject/ syllabus, will be addressed by subject teachers through these online modes. When you will return after the lockdown period, we will be in position to conduct the final practical examination / end-semester examinations and evaluation work on time so that the outgoing students can take up a job or proceed for higher studies.

I am sure that most of our students have a laptop or smart mobile phones with internet connectivity and hence I do not foresee any difficulty in access the video lectures, notes, course contents and other tips etc provided by teachers.

Stay strong, Stay healthy and Stay safe at Home.
