NOTICE

SAY NO TO PLASTIC

The President requests all departments of MLSM College and LSIBET to abolish the practice of presenting awards, trophies, plaques and other mementoes of recognition that are made of plastic or any other non-biodegradable material.

The President personally requests all faculty, students, and members of the College to reject and refuse any trophies, medals, shields, cups or other tokens of reward or decoration that are made of non-biodegradable material, such as plastic.

This will be a small step taken collectively by all the members of the College to protect and preserve the environment and ecology of our soil, hills and rivers.
